#### What is Dozer Day?

Dozer Day is a fantastic weekend of family fun, putting kids actually on and operating dump trucks, dozers, excavators and much more! There is something for everyone including food, giveaways, pipe and tire crawl, garbage and cement trucks and many other awesome activities.

#### About the Nutter Foundation

The Nutter Foundation is a non-profit organization that partners with top local businesses who share our passion for helping kids. Together, our primary contribution is the annual event, Dozer Day, putting kids in the driver's seat of real, heavy-construction equipment while educating about building sustainable communities, industry opportunities and public safety.

#### About Mary Bridge Children's Hospital

Mary Bridge Children's Hospital is the only pediatric hospital in the South Sound dedicated to caring for the special health needs of the children. From open heart surgery to asthma treatment, cancer care to diabetes, Mary Bridge specializes in advanced care for children. Mary Bridge offers specialized pediatric care, equipment and facilities that aren't available in most communities. When a child receives care, Mary Bridge specialists work closely with local pediatricians or primary care providers, making sure children receive the care they need. With its family centered care philosophy, Mary Bridge provides services and accommodations for families in a child friendly environment.
